

# L-STAND

## Aluminum Stand for MacBook Pro R9-NBS-LSDS-GP

The L-Stand's aluminum framework turns your MacBook Pro into a slim and chic mini desktop tower. This reduces the MacBook Pro's overall footprint and assists by orienting the system for easy cable management. A non-abrasive interior rubber lining ensures that your MacBook will remain free from possible scratches while a non-slip rubber base keeps the L-Stand from moving out of place. The L-Stand is the perfect way to clear desk space and make a statement at home or at the office.

- Display an Apple MacBook in style
- One size fits all Apple MacBook
- Ideal to use while connected to external desktop peripherals
- Constructed from high-quality aluminum
- Lined with anti-slip rubber grips for better traction
