

COMFORTER mini

Reversible Lapdesk for Laptops and Tablets

Cool and Comfy on the Desk, Sofa or in Bed

The Comforter mini combines both superb ergonomics and a friendly design in one. This attractive laptop pad is engineered to provide a convenient computing experience with its uniquely curved and angled design. The Comforter mini can easily be used in three different ways: placed on a table, on a lap while seated, or on your legs while lounging around.

Features

- Provides a stable platform for casual laptop or tablet use
- Light weight cushioned design
- Unique reversible ergonomic design
- Concave groove provides best airflow for heat dissipation.
- Extra grooves for cable management and miscellaneous items
- Compatible with up to 15.6" laptops and all sizes of tablets
